N/A ☐

If you are a manufacturer of video display devices, do you accept all brands?

Yes ☐

No ☒

N/A ☐

9d. Is your Takeback program free to consumers?

Yes ☒

No ☐

9e. Is your Takeback program reasonably convenient and available to and otherwise designed to meet the needs of consumers in this state?

Yes ☒

No ☐

9f. What is the number of devices a consumer may deliver to your program each day? Unlimited ☒ #

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

Consumers are advised of the following:

* Equus has partnered with 5R Processors Ltd. to provide Michigan residents a free, environmental friendly alternative for the disposal of Nobilis and Mirus branded PCs laptops and displays that have reached the end of their useful lives.

* In addition to hosting a drop-off site at 701 Terminal Road, Lansing, MI 48906 (734) 732-0959, 5R works directly with local organizations to provide additional drop-off locations as well as sponsoring recycling events throughout the year.

* For a current list of drop-off locations and collection events please go to: <http://5rprocessors.com/index.php/recycling-locations/michigan>

11. How do you provide information to consumers on how and where to return covered electronic devices?

Information on recycling is provided on a dedicated landing page at www.Equuscs.com/recycles

TAKEBACK PROGRAM REPORT (include this information beginning with the first registration submitted after the implementation of the Takeback program)

12a. The number of collection and/or recycling locations (permanent or intermittent) in the state of Michigan. 1

12b. List the weight of the covered electronic devices received by the Takeback program from consumers during the prior year:

0 Tons by mailback 0 Tons thru collection locations 0 Tons through collection days 0 Tons through Retailers

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:

Materials received from consumers are processed through the 5R process for reuse, refurbishment and resale or recycling. 5R uses the de-manufacturing process whereby the equipment is disassembled and the parts sorted into commodities. Materials such as steel, aluminum, plastics and precious metals are recycled for use in the manufacture of new products.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
